

Your Sanitation Department Works For You.

Just think if we did not have a way to dispose of our trash...

What We Do

To insure a high quality of life for Levelland citizens and visitors through effective and efficient municipal services and economic growth.

How We Do It

Sanitation Department provides a way for the citizens to dispose of their trash in a way that meets State requirements and health standards. We strive to provide the best possible waste management service to our customers through weekly household waste collection. This service is outsourced to Republic Disposal. For any concerns relating to our trash service, please call 806-894-0113.

Levelland offers recycling programs for many items and the majority of the recycling programs are free to the citizens of Levelland. Examples of the free programs include free wood mulch; drop off locations to dispose of used oil (limitations apply); drop off location for cardboard, paper, and plastics (limitations apply). The used oil drops off locations are at the Recycling Center at 902 A&M Lane and 302 Ave G.

Recycling Options

The City of Levelland has many reduction/recycling programs. Recycling Center drop-off.

- **Brush, Tree Limbs & Christmas Trees (Seasonal- Chipped into mulch. Free to the public.)**
- **Metals & White Goods**
- **Tires (Disposal Fee May Apply • DROP-A-Trailer Program.)**

Secure Your Load

When hauling debris to Recycling Center or Landfill station your load must be secured. State law requires that "...vehicles hauling waste to the facility are enclosed or provided with a tarpaulin, net, or other means to secure the load in order to prevent the escape of any part of the load blowing or spilling." Failure to properly secure the load can result in a surcharge being applied or the load being denied access to the facility.
